Meet Our Therapists (bookings available online)

Lee is a talented remedial massage therapist who operates a local clinic, 'Temple of Life,' on Tamborine Mountain. His journey with this work began at a young age. He is both experienced in massage and intuitive.

Megan has a holistic approach blends remedial techniques, Myofascial release, Craniosacral therapy, deep relaxation, trigger point therapy, Thai, and Lomi Lomi massage. Her treatments are deeply restorative, addressing individual needs for optimal healing. Megan brings her love and focus to enhancing both physical and emotional well-being, leaving clients balanced and revitalized.

Daniel is a physiotherapist from Chile with experience working in luxury environments in New Zealand and Australia. His expertise includes a focus on remedial and deep tissue massage care.

AJ has over a decade of experience in bodywork, he offers Zenthai Shiatsu Ceremonies that weave together the healing arts of yoga, sound therapy, and intentional movement. Each session is a journey, blending soulful connection with integrative personal training to create a deeply transformative massage care.

Sabrina is a massage therapist with five years of experience working in various spas in Australia. She is also a physiotherapist with extensive experience in Argentina. Sabrina provides a safe space where clients can release tensions and experience profound soft tissue work combined with a deeply relaxing state of mind, essential for healing. Her technique incorporates long strokes and slow pressure for optimal results.

Lore is a therapist with a background in physiotherapy and the spa and wellness industry. Passionate about helping people feel their best, her therapeutic approach focuses on treating the body as a whole, with special attention to soothing the nervous system and supporting the lymphatic system. She aims to create nurturing experiences that leave clients feeling rejuvenated.

Kenta brings a deep presence and curiosity to his Zenthai Shiatsu sessions. He helps soothe bodily tension while listening to understand deeper yearnings below the surface. With a background in social work and energy healing, he strengthens his ability to support clients in their journey.

Nati is a physiotherapist and bodywork practitioner with eight years of experience and expertise in art therapy. She blends manual therapy techniques with creativity with a deep passion for holistic healing.

Soloman approaches healing as a collaborative journey, holding space with integrity to guide individuals in releasing energetic blockages and aligning with their highest potential. Drawing on academic foundations in psychology, sociology, and education, along with a focus on trauma and mental health, Soloman specializes in energy clearing, sovereign reclamation, and Soul contracts of ancestral curse removal, entity removal & portal closing. Additionally, he integrates acupressure, kinetic reflexology, and intuitive touch to restore harmony and well-being.

Arielle is a qualified remedial therapist with 23 years of experience, offering a unique blend of clinical expertise and intuitive guidance. She creates a safe, sacred space that supports each client's innate ability to self-heal. With a holistic approach, she combines various modalities into a deep flowing, personalised experience, attuning deeply to the body and higher self of each unique being.
